*Contemporary jewellery to fit your lifestyle*

I'm Vivienne and welcome to Platinum4you.com, your online store bringing you an exquisite collection of jewellery crafted in that rarest of rare metals - platinum.

For over 25 years I've been making and selling beautiful jewellery right in the heart of London's world famous Hatton Garden. This means I intimately know what makes the finest pieces and I know the most skilled of craftsmen. It's that knowledge and expertise that I'm now offering you through my online store as I have personally selected each and every piece of jewellery I offer.

Choosing jewellery for yourself or for a gift always involves emotion. When you choose platinum you are also consciously making a statement that says you want to buy the finest, that you know true investment and that you want to be different by owning the ultimate symbol of luxury – platinum.

Through my worldwide network of trusted suppliers and craftsmen, I constantly search the world to bring you the added advantage of greater exclusivity with distinctive designs and individually crafted pieces.

When you invest in platinum you are gaining exclusivity and distinctiveness. When you select from my store you are instantly gaining my 25 years of expertise and a true promise that your experience with platinum4you will be both rewarding and satisfying.
